Ahoy Everyone,

As mentioned in the General Meeting, the board has approved to start working on the dry rot. This is going to be a long process. We will be doing the dry rot in sections, starting with the front of the building. Also, the railings around the club need to be reinforced and some replacement. **Shannon Davis** and **Steve Brodsky** are working on this. They will need some volunteers to help. Hopefully we will be able to start this by the end of October and November.

We have had some slips and falls on our front stairs and at the curbs in front of the building. I am sure you have noticed the yellow adhesive tape as you come into the building. Hopefully this will prevent anymore problems. A big thank you to Steve Brodsky, for installing the safety tape.

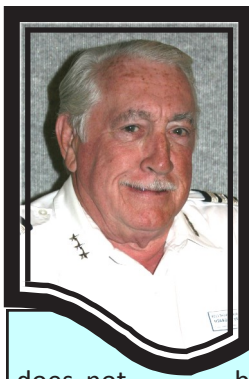

I heard I missed a great Friday Night Dinner while I was on the cruise. It was a Prime Rib dinner, prepared by **Mark Pavusko** and crew. Over 100 people attended. Thank you.

On the horizon:

- Veterans Day Celebration—Saturday November 10th
- Christmas Craft Fair—November 17th
- New Year's Eve Party—December 31st

Commodore's Day Cruise Out is January 1st. We are hoping Bridge Marina Yacht Club will be opened by then. They are looking forward to us cruising to their club. If they are not opened, we will have a brunch at PYC.

See everyone at the club!

Due to Carpel-tunnel surgery, which does not bode well for typing, this will be my shortest report of the year. Suffice it to say that we had a hell of a month in September at the bar. Thank you to all you members and the support you provided. Keep up the good work and stay 'Thirsty'.

Sympathy cards were sent to the families of **Will Casey** and **Archie McFaul**, both longtime members who recently passed away. Get well cards have been sent to **Shannon Davis**, who is in John Muir Walnut Creek battling leukemia, **Steve Brodsky**, who had surgery for lung cancer, and **Donna "Mom" Hampton**, who is fighting a blood infection at John Muir Concord. Please keep Shannon, Steve and Donna in your prayers and let me know if you'd like Shannon's address, as he'll be in the hospital for several weeks.

Autumn has arrived, and we welcomed it on Friday, September 29th with Sacramento and Sea Ray Yacht Clubs. They joined us with a total of 32 for a FANTASTIC Prime Rib dinner.

Mark Provusko, a new member, offered to cook. I waited a nano second to accept and I have never been so happy.

He originally thought that maybe a maximum of 60 would arrive, but not so, we ended up with over 90.

Obviously, he did not do this on his own, even with my cattle prod behind him.

Shelly, aka Sharky, made the twice baked spuds and the excellent salad.

Georgie Grech sliced the meat and along with Steve Brodsky, helped serve.

Pete Dracula arrived as always in character, this time as a French Chef. Pete I am amazed how you managed to grow that mustache so quickly. Thank you, Mon Cherie, for your parfait announcements.

Other thanks go to:

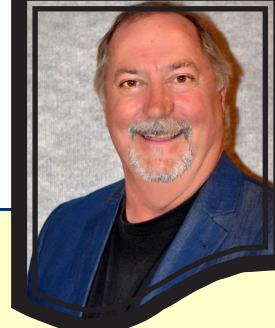

- Diane Griggs, for your help in the kitchen.
- George Grech for helping me lay the tables up English style.
- Tracy and Marcus Tolibus, for helping serve with apple pie and ice cream dessert.
- And obviously our fabuloso bar keeps, Kandi Sweeney and Shark Attack.

If I have forgotten anyone, I am sorry but, I'm sure Pete will buy you a drink.

I love you lots xxxx

I was unable to attend the PYC General Membership Meeting in October. I want to thank my wife,

Denise, for explaining my absence and presenting our new members to our officers and membership. We are excited to welcome five new members since the September General Membership Meeting.

Our newest members are **Stanley Gholson, Jean** and **Larry Tolson**, and **Joyce** and **Dan Hoffmann**. Joyce and Dan are, of course, returning members and we are so happy to have them back. The Tolsons and Hoffmanns were present and Denise bestowed a burgee to each couple. They shared with the group why they had decided to join our club.

Joyce and Dan brought Jean and Larry into the club. You may know someone that would enjoy joining our club, too. Why not invite them to come with you to a dinner as a guest or, just have a drink with you at the bar? You don't even have to own a yacht!

Fall season has arrived! This is a very exciting and extremely busy time, now until the end of the year for our fabulous decorating committee. Our

Halloween Party is almost here, Saturday October 27th and our decorating committee will have so much fun creating our Halloween decorations—which will be out of this world—with frightful witches and ghouls, scary pumpkins, and bats everywhere. Don't forget our skeleton pirates! Our Italian dinner will consist of chicken parmesan, several pasta dishes, salad and our special frightful desserts. DJ Watergate will be entertaining us with his monster mash medleys for our dancing pleasure, and there will be costume contests for everyone to enjoy.

Our Veterans event soon follows on November 10th. One week later is our Annual PYC Holiday Craft and Bake Faire on Nov. 17th. There's still time for all you PYC crafters to rent a table or you may share a table with a friend to sell your fabulous crafts. The cost is \$40 per table and whatever you sell, the proceeds are YOURS. Just in time for extra money for your Christmas shopping. Shortly after, we would love to have more volunteers to decorate our beautiful Christmas tree and décor. Our lighted boat parade and potluck event follows in December.

Our New Year's Eve party is soon to follow. Jan Cutaia and George Iaconis will be our fabulous chefs. DJ Watergate will again play his fabulous songs for all of us to dance into the New Year! Our master committee decorators will create a lavish and colorful event for everyone to enjoy.

Not much to report for PICYA, other than stay tuned for the annual PICYA 2018 Awards that will be presented at the November 5th meeting at Encinal Yacht Club. The Lipton Cup Sailing Regatta awards were presented at the October meeting at South Bay Yacht Club, in San Francisco. The October 20th

Management Meeting at Martinez Yacht Club was canceled due to only 12 registrations.

Respectfully submitted,

The legislative season is over and there are no updates from the state to report. I have to say that until I became a Director of the Recreational Boaters of California, I did not know how scary the words "the legislature will be working until midnight to get the final bills passed" really are.

There is some news on the national front, as the House and Senate continue to work. The appropriations bill passed without the Calvert Rider, so the WaterFix is still subject to judicial review. Thanks to all those that responded to our "call to arms" and made their congressman and senators aware of our opposition to the rider. America's Water Infrastructure Act of 2018 passed and will be signed by the President. Good news for boaters across the country. The Modern Fish act, updating fisheries laws has passed and will be signed. The battle against 15% ethanol blends that are so harmful to marine engines is not going well. The administration has authorized the year round sales of the 15% blend. We are still fighting for plain gas at marine fuel docks.

RBOC anxiously awaits the new proposals from the state legislature for 2019 and we will begin the process all over again.
